Dear Mr. Kelly:

You ask this office to reconsider its ruling in Open Records Letter No. 99-0842 (1999). Your request for reconsideration was assigned ID# 125211.

The City of Fort Worth (the "city") received a request for various information generated or received since January 1, 1979, relating to Love Field, DFW Airport, Meacham Airport, Great Southwestern International Airport, and Alliance Airport. Open Records Letter No. 99-0842 (1999) determined that the city could withhold, under section 552.103 of the Government Code, responsive information that had come into the city's possession since its receipt of a previous, February 7, 1997, request from the same requestor for the same information. The decision determined, however, that the city had improperly withheld information responsive to the requestor's previous request and must release that information in response to the instant request.

We have reviewed the arguments you submitted in support of your request for reconsideration. We affirm Open Records Letter No. 99-0842 (1999). If you have any questions about this ruling, please contact our office.

Yours very truly,

William Walker
Assistant Attorney General
